**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition! This issue is extremely important to me. I've been a household customer of Sonic for a long time and the phone service and internet they provide is vital to the way I run my business and my life. I don't want to be forced to go with one of the giant companies, and I want to keep my landline and internet at a competitive price.
